2. Guarantee

The user in the framework of the ICO has the ability to engage in «Consumer cooperative for the development of Social network «H». The statutory objectives of the Cooperative are to ensure the comprehensive development of the Social network.

The user, when joining the Cooperative in accordance with the legislation, makes two payments: introductory and share.

The entry fee is 100 rubles (1,60 USD); the share fee can be equal to any amount according to which the user will receive ABSOLUTME tokens.

In this case, the token is a tool for providing user guarantees. In this regard, the Cooperative undertakes the following obligations:

1. At the request of a member of the Cooperative to refund the share fee in exchange for the corresponding number of tokens ABSOLUTME in the form of increased volume and increased range of goods and services of the Social network «H» on the date of return;
2. At the request of a member of the Cooperative to perform a full range of measures aimed at the implementation of the corresponding volume of ABSOLUTME tokens on the internal exchange;
3. At the request of a member of the Cooperative, within the first year after the end of the ICO, in exchange for the appropriate number of ABSOLUTME tokens, make a return of the share contribution in full; the return period is 6 (six) calendar months from the date of application.

This set of warranty obligations assumed by the cooperative is aimed primarily at:

- ensuring the security of all members of the organization;
- creation of a favorable internal psychological climate;
- increase the level of trust, both among the members of the organization and among the users of the social network;
- implementation of an exhaustive list of material and spiritual needs of the members of the organization;
- creation of a stable and reliable ideological platform for the implementation of socially significant and political goals.

The implementation of these warranty obligations shall enter into force after the end of the ICO period.
